'07 HAWAIIAN PACKAGE GRAND PRIZE WINNER

Michael Caballero was the proud recipient and grand prize winner of the coveted 5 nights/4 days Hawaiian Package at the California Hotel.

Winner of the watercolor painting by renowned artist **Frank Gikiu** was **Suzanne Pascua Damian**.

Winner of the ukulele was **Terry Sallave** who is married to **Sonny Sallave**, an uncle of the Endrinas of Lanai. Terry resides in San Diego and is diligently learning to play the ukulele.

**ANNUAL UKULELE RAFFLE**

by Pedring Dugay, class of 1959

I have been very blessed to be able to craft and donate an instrument and raise funds to assist the students of Lanai. The Lanai High School Computer Lab is the sole beneficiary of the funds collected at the annual LACA Las Vegas Connection. The entire amount collected is forwarded to Lanai High School. The expense to build the ukulele is not deducted from the proceeds.

As long as I'm blessed and able to build a ukulele, I will be donating my time and effort to build a ukulele to benefit the students of Lanai High School. I have so many fond memories of growing up and attending school on Lanai that I feel this is a way of "GIVING BACK."

I really feel that Principal **Pierce Myers** initiated a big bonus for the students of Lanai when he created this program of a computer lab. I can't help but feel that the students are in a "WIN WIN" situation.

I would like to thank all those in the past who have donated generously to my ukulele drawing and in the future, a plea for your donation which will continue in helping the students of Lanai.

**2007 MINAMI AWARD**

The Language Arts 3, Junior English Class was selected as the recipient for the \$1,500 **Kiyoshi Mana Minami** Class Project Grant. According to **Ms. Melissa Monroe**, teacher, the grant will be utilized in purchasing a Dell projector and Lexmark printer, which will aid the students in doing their research project. They will do research on job markets, education, economy, environmentalism, and sustainability.

The funds will also cover expenses for a carrying case for the projector, printer cartridge, shipping, and a reception in the spring for students and the community.

Congratulations to the Junior English Class, Ms. Monroe, and **Shanthally Alboro**, class president.

LANA'I HIGH SCHOOL PINELADS VARSITY BOYS BASKETBALL PROGRAM 2008

Aloha, Rosita and all the Lana'i Alumni Association Members!

The Lana'i Boys varsity Basketball Pinelads along with the Coaching Staff would like to thank you for the great support and reception that we received during the first nights basketball game against Farrington High School and throughout the entire stay while in Honolulu for the 2008 State Boys Basketball Tournament. Your cheers and encouragement during the battle between the Governors and the Pinelads really charged up the boys and gave them that extra boost to fight to the final buzzer. The Lana'i Alumni members truly was our sixth player in the Chargers' Gym! We are so grateful to have such awesome support and love from all of you and want to let you all know how much we truly appreciate it! The encouragement from people and the stories that you shared with the boys and coaching staff were priceless! We, the players and staff take for granted the simplicity and lifestyle of Lana'i, which you all miss and cherish. The Lana'i Alumni Association has showed the team how precious the island of Lana'i is and how great a little community can be.

Thank you all for the dinner that you hosted for our mighty Pinelads and for your presence, all of the snacks and desserts were so wonderful! We would like to thank all the members for their kind contributions and donations for the success of our trip to Oahu. The \$1740 check and the many more contributions made by the alumni members were used for meals while on Oahu. The team also received the basketball tournament t-shirts and booklets paid for by many donors from our islanders of Lana'i. While on Oahu, the Lana'i Pinelads were housed by the Kamehameha Schools at Kapalama Heights, and practice time was allotted for the Pinelads at Kekuhau'pio Gymnasium.

Again, we would like thank all who made our trip a success and memorable. We love you all and wish you good health! God bless you all and keep you safe!

NEW CULTURE & HISTORY PROGRAMS ON LANA'I

On October 1st, 2007, the new Lana'i Culture & Heritage Center (LCHC) opened its doors in the old Dole Administration Building (Room 126) on Lana'i. By December 31st, more than 1,055 people had visited the center, and the numbers continue to grow. The LCHC is a Section 501(c) (3) charitable, non-profit corporation (private operating foundation), dedicated to the perpetuation and appreciation of Lana'i's rich cultural heritage and natural history.

The LCHC has its roots in programs initiated by residents, community organizations and Castle & Cooke Resorts, LLC, in the mid 1980s. Today, we are actively working to fulfill the vision and ensure that everyone who lives on, or who visits Lana'i has the opportunity to experience the unique heritage of our island home.

Mission & Programs

The Lana'i Culture & Heritage Center seeks to inspire people to be informed, thoughtful and active stewards of their heritage by preserving, interpreting and celebrating Lana'i's Hawaiian heritage, natural history, diverse cultures, and ranching and plantation era histories.

As a part of the programs of the LCHC, we are working to preserve and display artifacts of traditional cultural value to the Hawaiian people and island of Lana'i. The collections also focus on items and history representative of Lana'i's ranching and plantation eras—

including the islands' diverse ethnic populations. Historical plantation era documents and family memorabilia have also been donated to the LCHC. These combined collections represent the cultural diversity of the island and enable us to share facets of Lana'i's history with present and future generations—honoring those people who have come before us, and upon whose successes we stand. The program initiatives also offer assistance in interpreting and caring for the unique natural landscape of Lana'i.

As we are working to build a new museum/heritage center (now looking at the old Post Office site), we need your help. We are hoping to add historical records, photographs, artifacts, and cultural memorabilia to the LCHC collections. We are planning a formal curatorial/archival collections facility with which to care for the material culture of Lana'i's people. Please join us and help us perpetuate knowledge of, appreciation for, and programs to ensure preservation of Lana'i's unique heritage and legacy.

For more information about the Lana'i Culture & Heritage Center, contact **Kepa Maly** at kepa@LanaiCHC.org; P.O. Box 631599 – Lana'i City, Hawaii 96763; or at (808) 565-7177. You may also visit our website at www.LanaiCHC.org for more information, access to our archives, updates on programs, and information on financial needs.

1951

Fred Camero celebrated his 80th birthday at the Four Seasons Resort Lana'i at Manele Bay on January 5, 2008. The Camero ohana was the first on the island to utilize the Hale Halawai Ballroom for the breakfast buffet.

Fred arrived as a sakada from the Philippines in 1946. His first job with Dole Pineapple Company was as a farmall operator, driving a high tractor to dig out the weeds between the rows of pineapple. He married **Rosita Magaoay**, valedictorian of the class of 1951.

1952

November 24, 2007 was the 50th wedding anniversary of **Raymond and Mildred (Escrito) Barona**. Their children Raymond Jr. Susan, Amy and Jon hosted a luncheon at the Oceanarium at Pacific Beach Hotel. Raymond and Mildred were presented with an interisland cruise on Pride of America which Millie says was "fantastic!"

A unique fact in the Barona ohana is that the granddaughters are exactly 12 years apart and born in the Year of the Boar. Pictured with grandparents Ray and Millie are **Dominque Marie Martinez**, **Tori-May Tajiri**, baby Julia Marie.

The occasion was the baptism of baby Julia at St. Patrick's church in Kaimuki.

Thanks to **David and Elena Funada's** generosity, we were treated in January to our first class luncheon at King's Hawaiian Restaurant: Mitsue, Elena, Jane, Edith, Milie, Stanley, Eddie, Marcellino, David, Richard (photo on following page)

**LHS '52 CLASSMATES, OAHU***by Kiyomi Kunishige*

We met at Spicy Ahi Restaurant (Korean/Japanese Cuisine), a small place just right for the seven of us: **Richard, Hank, Randy, Susie, Ruth N., Helen** and **Kiyomi**. Although **Ruth T.** was not feeling up to par she called to place advance reservation and was told it was not necessary.

As Ruth T. and Hattie had mentioned the food was very good! Hank brought homemade pipikaula which he prepared using flank steak soaked in his secret special sauce. It was delicious! Helen shared Hilo's famous chocolate dipped shortbread cookies and Kiyomi brought Frango hazelnut chocolates.

Ruth N. passed out copies of Rosita's email, *Subj: Lanai High Basketball Game/Reception*. The LHS Pinelads will be playing at Pearl City High School gym for the State's basketball tournament. This is the first time in 24 years the Pinelads will be playing in the State Tournament. A potluck dinner reception was planned for Friday, 8:00 p.m. at the Huevo's residence.

Helen distributed the letter to classmates about the Lanai Reunion. We tried to talk about the Lanai reunion but it was too hard to hear what was being said. So Hank said he'll call us on this matter. He will be renting a house and will have a van. We mentioned that Martin who lives on the Big Island had planned to come to the reunion. Seconds later, Susie had Martin on her cell phone and he and Hank talked for a few minutes.

Randy just became a Great Grandfather. CONGRATULATIONS!

February birthday celebrants: **Marilyn** (2/6), **Suzie** (2/18), **Jaime** (2/18) and **Richard K.** (2/25)--all 74 years young except **Susie** who just made 73! Happy birthday to you all and many more to come!

Next month lunch will be on March 18, at the Korean Palace Buffet in Mililani where Makino Chaya used to be, 11:00 a.m.

**1953**

In the '07 November issue, **Richard Arakaki**, spouse of the late **Lillian (Shimizu) Arakaki** was erroneously identified as Richard Shimizu. We apologize for the mistake.

Classmates **Walter Goshi, Jacob/Rosita Huevo, Teophilo Cabalo, Marianne Higa, Christine Oga**, met with **Pete/ Nita Vergara** on **January 15** at Buffet 100 at Ward Warehouse on

**Class of 1953 at Buffet 100**

**(Class of 1953, continued)**

January 15. Pete and Nita were heading back to California after vacationing for a month on Lana'i. Guests were **Violet/Ermi Barroga**. Missing from the photo is **Robert Godinez**.

55th Class Reunion Celebration will be at **Jean Piena's** residence during the summer (date TBA). For information, classmates are requested to get in touch with Jean at (808) 845-8651 or call Rosita at (808) 455-7605. Partake of delectable catered food, spend time talking stories and best of all, just enjoying each other's company!

WEDDING BELLS

Congratulations and best wishes to **Mr. and Mrs. Dennis Kula!**

Dennis, the son of **Ron and Rufina (Rabbon) Kula** married **Younna (Al Bacha)** in Dallas, Texas on December 22, 2008. The wedding was held at Our Lady of Lebanon Catholic Church.

**1955****A GOLDEN ANNIVERSARY - MARS & SOLI**

By Rose B. Robinson

Little did **Mariano "Mars" Masicampo** and **Solidad Tanodra** know way back in kindergarten that they would end up together - and stay married for 50 years! Soli and Mars were high school sweethearts and on May 18, they will celebrate their Golden Anniversary! They are one of the first in our Class of 1955.

Mars left Lanai High during his sophomore year to attend Honolulu Technical School (now Honolulu Community College.) Soli remained on Lanai where she graduated from LHS. After graduation from their respective schools, Soli moved to Honolulu where she worked for Hawaiian Telephone as an operator, and Mars went to work for Hawaiian Airlines as an aircraft mechanic. He thereafter joined the Air Force and made it his career, gaining experience in the science of aerospace. But he didn't leave his love behind rang true and three years after graduation, they tied the knot at the Sacred Heart Church on Lanai.

Being in the Air Force gave them the opportunity to travel and live in various cities and countries. With their growing brood, which eventually became five children, they were either stationed or traveled to California, Japan, Vancouver, B.C., Washington, D.C., Illinois with their five children, Mark, Regina, Martin, Michael and Tommy. That was an adventure in itself!

After retiring from the Air Force after 20 years of service, Mars went on to work for Ford Aerospace Company in Greenland, and at Vandenberg AFB in California, where they finally settled in Lompoc. They now have 8+ grandchildren, and great-grandchildren so far. Mars is still working at the Chumash Casino in Santa Ynez near Santa Barbara, CA which he enjoys very much. Soli has retired from Wal-Mart where she worked a few years, but still keeps busy bowling and singing in chorales in her community. They both have been very lucky in Las Vegas where Soli won a \$25,000 jackpot playing video poker, and Mars has had his share of good luck winning jackpots (altho smaller) there, too. It couldn't happen to a nicer couple - who deserve all that they receive. Congratulations!

**1970**

Congratulations to **Nelson Tamashiro** of Kaneohe for the hole-in-one on February 27 at the Navy Marine Course! Using a 5-wood, his classmate **Valerie Kodama**, witnessed the spectacular 168 yards shot which aced the 12th hole.
