

Popular Las Vegas Tours by Vegas Vance

City Lights Tour \$37 per person (15 person minimum)

3 hours (evening only) See where: Las Vegas began, Bugsy Siegal got his start, Liberace was hired for \$50K week, and the "Rat Pack" performed. See: the highest bungee-jump and other thrill rides, outdoor Neon Museum, Chinatown, where Britney Spears was married, \$8.5B City Center, world's largest bronze sculpture, tallest chocolate fountain and brightest light. Hear about: mob years and what's going on in Las Vegas today. Bring your camera for a picture under the "Welcome to Las Vegas" sign.

Valley of Fire \$39 / including Lost City Tour \$54 per person (15 person minimum)

4/5 hours Drive through this beautiful valley with its unusual, colorful, sandstone formations; held sacred by early Native Americans. See etching on the "desert varnished" stone, the visitors center displays, with detailed explanations of the area. Hear about the city at the bottom of Lake Mead and how it was covered by water when they built Hoover Dam. Visit an ancient, rebuilt, Anasazi Village and Lost City Museum. (Fees incl.)

Shopping Tour \$25 per person (15 person minimum)

Select the shopping mall where you would like to shop or we will help you find the mall that has the best sale that week. We will pick you up at a designated time and stop by Trader Joe's on the way back to your hotel.

Hoover Dam Tour \$45 per person (15 person minimum)

4 hours Walk on one of the engineering wonders of the world, hear its construction challenges and how it contributed to building Las Vegas. Hear why it was built, why the name was changed from Boulder Dam to Hoover Dam and how it created the largest man made lake in the US. See the new, 1900' bypass bridge built 900' above the canyon floor. Tour the Visitor Center. Stop at Ethel M's Chocolate Factory on the way back.

Backstage Tour \$45 per person (25 person minimum)

3 hours View one of Las Vegas' largest stages. See the latest pyrotechnic effects: the Titanic sinking, use of explosives, dry ice and 2,000 gallons of water cascading across the stage. See the double-decked elevators, used for quick costume and set changes, some of the 1,000 elegant costumes, used by the cast of 100, and the 75 stage sets. Get a make-up demonstration by one of the "showgirls". Mon. thru Fri. 9:30 AM - 3 PM.

Mob Tour \$37 per person (15 minimum)

3 hours Hear stories of the mob days of Las Vegas and which properties were affiliated with which mob. See where mobsters lived, played and Tony Corneo's dream hotel opened in 1958, and what's being built there now. See where Howard Hughes bought the first mob-run hotel/casino. How FBI linked a "Strip" hotel to the New York mob and another casino burned down mysteriously. Hear the Bugsy Siegal story. See a monument built in his honor. See a historic building being converted to the Mob Museum. Hear about our Mayor's association with the mob and some notorious mobsters he defended.

Red Rock Canyon Tour \$39 per person (15 person minimum)

3 hours Tour this 200,000 acre, high desert, National Conservation Area with colorful sandstone formations beneath the marbled cliffs of the Spring Mountains. Walk through the Visitors Center, viewing geological displays and exhibits demonstrating wildlife of the area. Bring a camera, as there are spectacular, panoramic views at every turn. (Park fees included) **Note:** Add \$4, if you wish to extend this tour to 4 hours to include a trek on the circular Lost Creek Trail.

Las Vegas Motor Speedway Tour \$39 per person (15 person minimum)

3 hours Visit this 130,000 seat, 10 track, world class racing complex. See a luxury corporate suite used for entertaining and viewing races from high atop the bleachers. Visit the infield where race cars are serviced. Ride around the track in a van, if the track is not in use. (Fees included)

Techatticup Gold Mine Tour \$67 per person (15 person minimum)

4 hours Visit El Dorado Canyon, site of the oldest and richest gold mine in Southern Nevada. Tour the old store, with its circa 1900 artifacts and then the mine itself, with the owner of the property. (Mine temp. 68 degrees year around) See how prospectors found gold veins and dug miles of tunnels to extract it. Hear stories of this lawless mining camp above Colorado River. See remnants of Hollywood filming. (Fees incl.)
