

HISTORICAL LACA BOOK NOW ON SALE!

In commemoration of LACA'S 20th anniversary, a historical book, "*The Evolution of the Lanai Alumni and Community Association*" has been published. The book is a repository of the people and activities involved in fulfilling the association's vision and purposes. It's a recollection of the founder of the Lanai Alumni Association, Thomas Roy Nunotani's era of the 1980's to 1994 and LACA'S transitional period commencing in 1995.

This project is being funded by a private entity, Kula Sand, LLC, dba Honolulu Container Storage Rentals. The owner and president is LACA'S first president, Robert Kinoshita, class of 1950. His 1995-1997 administration comprised of Rosita Viduya Hueu, Tina Mendes, Randy Sanches, Donna Reyes Ching (current treasurer, newsletter editor), Gloria Obado Reyes (ex officio, Maui Lanai Connection) collaboratively compiled the data and Donna Shiroma Nakasue held a dual role as webmaster and designer.

Kula Sand, LLC will donate proceeds from this venture to the Lanai Alumni and Community Association. Mr. Kinoshita designated Donna Reyes Ching to be responsible in managing the financial aspect in the publication of the book. Based on the response from the preliminary survey a limited amount of books were ordered. .
